

## CALL FOR NOMINATIONS

### IISE New Faculty Colloquium 2023

Saturday, May 20, 2023

8:30 a.m. – 5:30 p.m.

Hyatt Regency New Orleans, New Orleans, Louisiana

### Nominations Due from Department Chairs by Wednesday, March 29

The Council of Industrial Engineering Academic Department Heads (CIEADH) and the Institute of Industrial & Systems Engineers (IISE) requests nominations for the 21<sup>st</sup> Annual New Faculty Colloquium to be held Saturday, May 20, 2023, prior to the IISE Annual Conference and Expo.

This all-day event is designed for new, early career IISE faculty, especially those in their first three years of a tenure-track Assistant Professor appointment. The colloquium provides information that can be useful for navigating the challenges of an academic career and gaining tenure and promotion. Participants will have an opportunity to ask questions and network with senior-level professors and peers. Topics tentatively scheduled for presentation include:

- Welcome from IISE officers
- Balancing your career
- Effective service strategies
- Effective teaching strategies
- Research funding and collaboration strategies
- Lessons learned from recently tenured faculty
- Tenure and promotion panel discussion

Meals (continental breakfast, lunch, and reception) are provided during the program. There is a \$50 fee per person for this event. All expenses incurred (including registration for the Annual IISE Conference) are the responsibility of the nominee or the nominating department. Attendees must register separately for the IISE Annual Conference. More details on the event can be found at [www.IISE.org/annual](http://www.IISE.org/annual).

All nominations must be made by department heads/chairs. Nomination materials include: (i) a statement from the chair (in an email) indicating the name(s) of the nominee(s) and their contact information; and (ii) a current curriculum vitae for each nominee.

E-mail nominations to [lourdes.medina@upr.edu](mailto:lourdes.medina@upr.edu) and [tcshark@clemson.edu](mailto:tcshark@clemson.edu) with the subject line “IISE NFC Nomination.” To request more information, contact the colloquium organizers:

Lourdes Medina  
Professor of Industrial Engineering  
University of Puerto Rico at Mayagüez  
[lourdes.medina@upr.edu](mailto:lourdes.medina@upr.edu)

Thomas Sharkey  
Professor of Industrial Engineering  
Clemson University  
[tcshark@clemson.edu](mailto:tcshark@clemson.edu)

Nominations should be received by **March 29, 2023**. Early nominations are encouraged since space is limited.
