

INDUSTRIAL & SYSTEMS ENGINEERING

The Department of Industrial and Systems Engineering at Mississippi State University is seeking applicants for two open tenure-track faculty positions at the Assistant, Associate, or Full Professor level. An endowed faculty position will be considered for outstanding applicants at the Full Professor level. While the department is interested in candidates with backgrounds in engineering management, logistics and next generation supply chains, production systems, healthcare and data science/analytics, qualified candidates in all areas of industrial and systems engineering are encouraged to apply and will be considered. The anticipated start date is August 16, 2024.

A Ph.D. in Industrial Engineering, or a closely related field, is required. Applicants must have established or have demonstrated the ability to establish an extramurally sponsored research program with results published in refereed journals. Applicants should also have established or have demonstrated the ability to teach undergraduate and graduate level courses, advise undergraduate and graduate students, and provide service to the department, college, university, and profession.

Mississippi State University is ranked as one of the top 100 research institutions in the United States and is designated by the Carnegie Institute as a very high research activity doctoral-granting institution. The Department of Industrial and Systems Engineering is one of eight academic departments in the College and offers an ABET-accredited bachelor's degree program in industrial engineering as well as master's and doctoral degrees. The department is ranked 19th in nation according to NSF research expenditures and is one of the most productive departments in the college and university. Further information can be found at : www.ise.msstate.edu.

Applicants must apply on-line at www.jobs.msstate.edu by completing the Personal Data Information form and attaching a cover letter, curriculum vitae, teaching statement, research statement, diversity statement, and a document listing the names, addresses, email addresses and telephone numbers of three references. Search for PARF# 506395. The review of applicants will begin October 1, 2023 and continue until the positions are filled.

Mississippi State University is an equal opportunity employer, and all qualified applicants will receive consideration for employment without regard to race, color, religion, ethnicity, sex (including pregnancy and gender identity), national origin, disability status, age, sexual orientation, genetic information, protected veteran status, or any other characteristic protected by law. We always welcome nominations and applications from women, members of any minority group, and others who share our passion for building a diverse community that reflects the diversity in our student population.
