DISCOVER NC STATE

The Edward P. Fitts Department of Industrial and Systems Engineering (ISE) and the Operations Research Graduate Program (OR) at NC State are committed to enhancing the diversity of their graduate programs.

Our ISE / OR Graduate Visitation Program is designed to offer prospective graduate students an opportunity to visit our campus. While you're here, you'll enjoy two-and-half days of learning about our current research and facilities and:

- Meet with faculty
- Talk with current graduate students
- Take lab tours
- Get to know the campus

All expenses are paid for participating students

- Transportation (flights to Raleigh and ground transportation around Raleigh)
- Two nights of lodging
- Food
